VOL. 12 NO. 12 WEDNESDAY, MARCH 24, 1971.

PER COPY

P.O. BOX 263, St. Albert  
Registration No. 1930

A behind-the-scenes look catches Marg Thomas and Pat Husband applying the brush to one of the props in preparation for Saturday's "St. Albert Goes Broadway" production of the St. Albert Figure Skating Club. Show time, 7:30 at the Arena.

## 'St. Albert Goes Broadway'

A cast of hundreds (counting the moms who have been busy sewing the lovely costumes and the pops who are putting the finishing touches on the colorful props) is in-

involved in the St. Albert Figure Skating Club's smash production, "St. Albert Goes Broadway," this Saturday, March 27 at the arena, 7:30 p.m.

Tickets are at the door and are expected to go fast.

Included in the program, which is fine entertainment for all the family, are numbers from Westside Story, Camelot and the popular Aquarius, Let the Sun Shine in and 76 Trombones.

As well as display of power

skating will be featured.

Master of ceremonies is Rod Thronson.

## Spring-Thing

Sing-out St. Albert will do their "Spring Thing," Friday, March 26 at George Simpson Junior High, 8 p.m. A sparkling, family show! Tickets at the door.

Mayor "Gabby" Gibbon has accepted the challenge put out by Mayor "Dead-eye Doc" Dent to attend the annual CFCW Mayors shoot-out at the F and R Show, April 3. "Gabby" Gibbon will be out to bring back to St. Albert the Mayors Shoot-out trophy again. Gun and holster were presented to Mr. Gibbon by John Ochitwa of CFCW.

## Town to look into welfare

A detailed report on unemployed employables was presented by St. Albert welfare worker Mrs. J. C. Bertsch at a recent finance and public works committee meeting. Council had requested the report when councillor Frank Lukay, in his capacity as deputy mayor had refused approval of certain welfare payables. It was felt that the report from the welfare officer would explain the particular cases more fully.

Meeting in regular session March 15 council voted 6 - 1 in favor of paying the welfare accounts that were not approved by Mr. Lukay. In speaking against the motion

Mr. Lukay said, "If people knew how much we were paying out in welfare and what these payments include, people would be upset and more people would want to go on welfare." Mr. Lukay in particular takes exception to the including of CMHC payments in welfare benefits.

Town council feels it has an insufficient knowledge of the policies and aims of the department of social development and questions from Mrs. Bertsch, Mr. O'Connell and any other member of staff or council will be submitted to the minister by Mayor Gibbon.

## No delay in pick-up

Mayor Ray Gibbon told the Gazette yesterday that no change in the garbage pick-up schedule is anticipated at this time due to the closing of the town nuisance grounds.

The town dump, located on Lakeview Drive will close March 31, in compliance with provincial government regulations which came into effect Jan. 1, 1971.

The town will dispose of garbage at the Edmonton Beverly dump on a temporary basis, and St. Albert residents wishing to dispose of large items not normally

collected by town sanitation crews may use this facility as well.

## Schools Outlaw Toys

Clackerballs, Quackers, Kabongers. By either name, they spell trouble and both St. Albert school districts have banned, for safety reasons, the currently popular toys from the schools - thus following similar action last week by Edmonton schools.

## Line-ups announced for Oldtimers — All Stars Match

Rosters for what shapes up as "the game of the year" in the St. Albert and District Arena were announced today and judging from the outstanding array of hockey talent which will be on display St. Albert fans are in for a most entertaining evening.

Being played under the auspices of the St. Albert Arena Board with proceeds going to the Building Fund, the game gets underway at 7:30 this Friday evening and all indications point to a sell out crowd. Hockey sticks autographed by the NHL Oldtimers will be awarded to three lucky ticket holders as door prizes.

Marie MacRae, president of the St. Albert Kinettes, presents a cheque for \$1,000 - to Kismen president Bruce Daley.

## Kinettes donate

### \$1.000 to ice plant

At the opening ceremony of the second Kismen Skate-a-thon, Kismen President Bruce Daley accepted a cheque for \$1,000 from the Kinette Club of St. Albert.

As an auxiliary to the Kismen, Kinettes provide assistance with many of the Kismen projects and at the same time carry out many fund-raising and community service projects of their own.

The Kinette Club is four years old this month and during that time have provided funds for the audiometer at the Sturgeon Health Unit, furnished a ward at

the Sturgeon General Hospital, purchased coffee mugs for the teen centre, sent a child to camp, donated to the Kismen Mental Retardation Research Centre, and paid school tuition fees for a 15 year old Ugandan polio victim.

The ladies in the purple and gold down at Safeway are Kinettes selling tickets on a three-minute shopping spree. They anticipate the continued support of the citizens of St. Albert who have most generously donated to their most recent service projects - Christmas Hamper Bureau, Heart Fund Campaign and Red Cross Blood Donor Clinic.

Grade 5 and 6 finalists at Father Jan's Oratory presented their speeches to an audience of parents recently. Competing were: front row, left to right: Martin Hilden, Kevin Telford, Scott Cannon, Debra Borle, Mofra Sheehan and Penny Evans. Back row: Ray Enright, Coleen Klak, Edna Dechamplain, Lynda Mattear, Teresa Edl, and Janice Kremer. Winners were Penny Evans, who chose as her topic "Nightmares" and Martin Holden with his talk on "Professional Sneak."

## How to get a tax deduction without getting married.

If you think the only ways to get a tax deduction is to take a bride or have some kids or stack up medical receipts, you should find out about section 79B. Ever hear of it?

It's that part of the Income Tax Act that permits you to deduct up to \$2500 from your annual earned taxable income for the purchase of a Registered Retirement Savings Plan.

At Metropolitan Life, we have many plans, in both annuities and permanent life insurance that are eligible for registration. These plans let tax-deductible dollars help you build a retirement income.

Send me the coupon below and I'll tell you all about Section 79B and how to save or defer substantial income tax dollars.

## Council Briefs

Town hall staff had its wages upped by four per cent retroactive Jan. 1, 1971. In addition to this general increase, the department heads received increases of varying amounts.

The firm of Campbell, Sharp, Nash and Field was reappointed town auditors for the year 1971 at the fee of (\$2,400.00).

The fee per month for dog catching services was increased to \$325, effective March 31.

Town garbage will be dumped at a charge of \$5 per load at the City of Edmonton Beverly disposal grounds. The town will also request Edmonton's permission, in case so required, to use the transfer station at 142 street at a charge of \$4 per ton.

A letter was received from Dr. E. M. McFarland, director recreation branch, Alberta department of youth, urging council to decide against establishing a separate arena board. The letter indicated such a board is in contradiction with the town's recreation bylaw and would make it impossible for the department to continue its financial assistance to the town's recreation program.

Council denied a request from the Salvation Army that speak to council. The S.A. had asked for a grant-in-aid

of their work in the amount of \$150. The grant had been denied by council on the grounds that 1971 grants must be applied for prior to Dec. 31 of the previous year.

A request from Simpson Junior high school that the town help pay for a summer study tour of language institutions in Manitoba, Ontario and Quebec for a number of French language students was denied for the same reason. In addition, council has already committed the town to support the St. Albert student exchange program.

A snow fence will be erected to prevent town garbage from entering the Sturgeon River during spring run-off.

## Easter at Y

The West Edmonton YMCA has announced its easter week program. There will be learn-to-swim for children from six months to 14 years of age. From April 12 - 16 day camps for boys and girls 7 to 11 years will be held at two Edmonton locations. Activities will include hiking, cookouts, swimming, crafts and games. For further information call the West Edmonton Y at 455-2139.

Ovide Hebert and Pierre Joly are trying out the PA system they installed at the arena last week. Donated by the St. Albert Knights of Columbus, the \$500 system consists of five speakers, a mike and amplifier. A welcome addition to the arena.

## Winner Drawn in Kin Lottery

Three individuals from Alberta, one from Manitoba and one from Ontario are each \$500 richer as a result of the first early bird draw made in conjunction with the Association of Kinsmen Clubs, District Four, \$50,000 Kinstate lottery. Mr. Eldon Loucks of Calgary and Governor of the Kinsmen Clubs in Alberta drew the following names from the drum located in the offices of The Canada Trust Company in Edmonton:

1. Margaret Ayotte, 12911 - 73 Street, Edmonton.
  2. W. Durnan, 1 Carlingview, Rexdale, Ontario.
  3. J. E. Gagnon, 10719 - 58 Avenue, Edmonton.
  4. James Simmonds, 12525 79 Street, Edmonton.
  5. Marilyn Chatwin, 607 Mulvey Avenue, Winnipeg.
- These winners remain eligible for subsequent early bird draws and the final to be made May 28. Total profits realized through this lottery will be pro-rated back to the participating Kinsmen Clubs for use in service projects in each club's area. Tickets priced at \$2 are available from

any Kinsmen, Kinstate Agency or from Box 1971, Edmonton.

Kinstate chairman, W. L. Hite indicated that the Kinsmen were exceptionally pleased with the public response to this fund raising venture and are most optimistic over the eventual outcome. The next early bird draw for prizes totalling \$2,500 will be made April 16.

## Welding on Meeta

The Metropolitan Edmonton Educational Television Association has a series of special interest to handy-men, rural residents and farmers. The series is entitled "Lift" and deals with such topics as basic automotive, furniture refinishing and metal work.

Beginning March 23 there will be six programs on welding. Lemar Seeger of the Olds School of Agriculture takes the novice welder from the lighting of the oxy-acetylene torch to joining metal.

## Local stars featured in Messiah

As a prelude to Holy Week, the St. Albert Singers will present Part II of Handel's Messiah, Palm Sunday, April 4, at 8:30 p.m. in the United Church. The Singers, an ecumenical choir, are directed by Lillian Upright.

Soloists for the presentation, all from St. Albert and district, come with a wide background of experience.

Diane and Ron Nelson from the Nomac district, met while both were studying voice and opera at the Royal Conservatory of Toronto.

While down east they appeared extensively on CBC radio and television, and sang with the Canadian Opera Company and at the Stratford Festival.

Ron, a baritone, was able to pursue his training in England under a Canada Council Grant. Since returning west, both Ron and Diane have continued their appearances on radio and television, and as soloists with the Edmonton Symphony Orchestra.

A highlight for Diane was her portrayal of Madame Butterfly for the Edmonton Opera Association.

Contralto Nancy Bellis, a newcomer to St. Albert, has sung extensively in her native Wales with the Harwarden Singers who achieved considerable success in International Festival Competition as well as the National Festival of Wales. Another group, the Partirffynnon, with whom Nancy sang will be touring North America this year.

Nancy has sung with the University Singers, the Edmonton Symphony Chorus, and is a valued member of the St. Albert Singers.

Richard Leggett, tenor, is a charter member of the St. Albert Singers. He began singing as a choir boy in his native England, and since living in the Edmonton district, has sung with the University Singers and the da Camera Singers. Presently he is a member of the Edmonton Opera Company chorus.

Richard Lawrence weighing in at 5 lbs. 10 oz. checked in March 20. He'll be making his home at 81 Broadview Cresc. Proud parents are Mr. and Mrs. Paul Chalfoux.

Major Ray Gibbon says

"thanks" to town staff and all others who sponsored him to the tune of well over \$300 in last Sunday's skate-a-thon!

Those hard-working "do-it-yourself" boys from 3rd and 4th St. Albert Cub and Scout group will be around

on April 3 with Hot Cross Buns on sale for Easter. The buns are good, and the boys' work will aid their various projects and training programs.

Members of the Senior Citizens Club joined residents of the Youville Home for an afternoon of bingo last Thursday. This being a special St. Pat's bingo, Mrs.

Bernice Willas added greatly to the festivities with her piano stylings. Regular monthly bingo's are just one of many service projects of the Youville Auxiliary.

Clothing and household goods will be offered for sale at St. Albert parish hall, Saturday, April 3, from 10 - 2. Proceeds to the various youth groups in town.

## Council to protest Bill

In a memorandum to St. Albert town council, Mayor R. Gibbon recommended that council forthwith forward a letter of objection regarding the municipal grant structure to Premier Strom with a copy to Mr. Keith Everitt, MLA.

Council unanimously supported the mayor's recommendation. If the provincial government enacts Bill 28, an act to amend the Municipalities Assistance Act, St. Albert faces an estimated revenue loss of \$30,051 - \$34,216 in 1971. In 1972 the revenue loss is estimated at \$99,344-\$113,112.

On March 10 a meeting

of the Alberta Urban Municipalities Association was held, at which time the freezing of the municipal grants was discussed.

The AUMA unanimously agreed to hold a special meeting April 1 to approve a brief to the provincial government on this important item in municipal budgeting. The AUMA further asked that all municipalities voice their objections to the Premier in this matter.

"What's the matter with Jones?"

"He just had an accident. A thought hit him."

## Lions Casino Night draws big crowd

An excellent turnout of local people took in the fourth Casino night held Saturday at the Club Mocombo, which the Lions report was one of the most successful they have had. Floyd Maybee, a new Lion recently inducted into the club, took full charge as chairman, and the members were out in full force, including many from the Breakfast club who volunteered their services.

Quite a few came in Klondike dress and taped klondike-style music added to the evening, with some space reserved for those who wished to dance. All of the various wheels and games of chance were well patronized, and the large crowd thoroughly enjoyed themselves. The Lady Lions served coffee and pizzas, and charming cigarette girls improved both the service and the view.

All proceeds of the evening will go to the various community service projects sponsored by the Lions in St. Albert.

## Town of St. Albert

### NOTICE TO RESIDENTS CLOSING OF NUISANCE GROUNDS

The Town of St. Albert Nuisance Grounds located at Lakeview Drive will be closed on March 31, 1971.

Government regulations have made it necessary to take this drastic action. The Town will on a temporary basis, dispose of garbage at the Beverly Dump in the City of Edmonton, until a new sanitary landfill site has been established.

All residents will be required to dispose of large items, not normally collected by the Town, at the Beverly dump or by other private arrangements.

It is hoped that this inconvenience will be accepted by the residents realizing that it will remove a serious nuisance from the Town.

Town Engineer.

## SIGN UP FOR "PEP" AND PAY THE SAME AMOUNT EACH MONTH FOR GAS SERVICE

PAYMENT  
EQUALIZATION  
PLAN

Our PAYMENT EQUALIZATION PLAN provides a convenient method of paying your regular monthly gas bill in equal installments during the year. Under this plan, your gas bill payments never vary. Your annual gas consumption is calculated, the total cost divided by 12, and you pay this amount each month — building up a reserve in summer for the higher bills of winter. Actual consumption is of course recorded monthly, and noted on your bill — and adjustment to actual consumption is made every 12 months. It is available to all customers on request. May is the month such regular payments normally are started — so we invite interested customers to contact us now.

The students from Legal competing were Bonnie Campbell, mat exercises; Anne Kallal who came in first in trampolines; Gerry Charrois with second in mat exercises and sixth in parallel bars. Marcel Brissou fourth in box horse. Dave Kallal first in mat exercises; second in free exercises; third in box horse; third in trampoline. Marcel

Letourneau fifth in trampolines. Ben Van de Walle sixth in trampoline. Jerry Krauskopf sixth in rings. The top six in each event will compete in Calgary on March 27 for the Provincial Gymnastic competition.

The box office for the restored Ford's Theatre in Washington, D.C., originally was the Star Saloon. It was there that actor John Wilkes Booth had a last drink before going to the theatre next door to assassinate Abraham Lincoln. National Geographic says.

Ten-year-old Laura West, a veteran with four years of figure skating experience was crowned Carnival Queen at the Morinville Ice-show last weekend. With Laura are Vivian Lapointe, Marit Carlson, retiring queen Paulette Rousseau, Celine Beland and Lion Robert Anderson. The two youngsters in the foreground are Richard Mulligan and Sabina Butt, who presented the new queen with a gift and flowers.

## Morinville Locals

Boys and girls between the ages of 8-14 interested in joining a rifle club are asked to register at the arena, Thursday, March 25, 7 p.m. Sponsored by the Lions.

The 4-H Cool Spoolers will hold their Speak Offs Tuesday, March 30, 8 p.m. In the Centre. The public is invited to attend.

On March 30 the Morinville Mother's Local will hold their first supper meeting of the year. An informative agenda is being prepared for this meeting which will be held in the Morinville Hotel dining room at 6:30 p.m.

This weekend there will be a pee-wee hockey tournament in Morinville, ice condition permitting. Eight teams will be in play and excellent competition is assured.

On the sick list are Ernest Hukle, Mrs. Pat Short and Roland Lambert.

The local RCMP are to be commended for apprehending the youths responsible for recent thefts in the district. They are to appear in district court this week, on 22 charges, including car theft and others.

The Morinville cub committee wish to thank the sponsors and organizers of the recent cub bonspiel which netted over \$100. Proceeds will be used for camping equipment for both packs

In the ACA bonspiel, Morinville's team entry, skipped by Norman Meunier, with Frank Volmer, D. Mason and Laurence Fuchs played nine games before being eliminated.

On Monday, Mr. and Mrs. Herman Kleser, Mr. and Mrs. Aloys Kleser and Mr. and Mrs. Clarence Krauskopf, left for a month long holiday tour of Europe by chartered flight. Last Friday evening Mr. Herman Kleser, who celebrated a birthday, was feted at his home with a combination birthday and "bon voyage" party, when all his children and many relatives and friends were present.

Miss Irene Schayes and her fiancé Mr. Denis Devolder, were entertained at a mixed social, last Saturday evening, in the Morinville Centre, with some 300 friends present. The popular young couple will be married this Saturday in Morinville.

The Morinville Fire Department was called out last week, but it was only too much diesel fuel flames from a chimney in a mobile home in the Trailer Park. No damage resulted.

Raymond McDonald is visiting at the west coast, a combination holiday and business trip.

## Large crowd enjoys Morinville Ice Show

Some 500 cheering fans attended the 1971 Ice Revue on March 14 in the Morinville covered arena. In all 60 members of the Figure Skating Club performed in

a colorful ice show with the theme "The Four Seasons," sponsored by the Lions Club. Introduced by the Morinville Drum and Bugle Band the crowning of the 1971 queen took place, preceded by a parade of all candidates. The 1970 queen, Miss Paulette Rousseau, presided along with Lion Robert Anderson, Vivianne Lapointe, Celine Beland, Marit Carlson, and Laura Lee West. Petite Laura Lee West, 10 year old daughter of Mr. and Mrs. Norman West, was crowned queen with Marit Carlson runner-up in the contest.

Among the soloists performing were Donna Faye Borie, silver group and Vivian Blackburn, who at 12 years is the youngest girl in Morinville to qualify for the high rating of the Gold medal class. Both gave a polished performance.

Jane Hardy and Cathy Ward provided the humorous touch with their clown act.

Vivian Lapointe and Celine Beland were well received with their duet and Marit Carlson and Laura West were very much applauded for their solos.

Miss Rita Gibeault, and her brother, Lucien, both in the Gold medal class, were among the popular performers on the program.

Guest performers from the Federation Skating Club Edmonton, included Laurie Doucet, Donna Kleinroth, Sharina MacQuire and Lori Ann Harsayn.

Among the highlights of the show were nine Lions, David Wiley, Bob Chauvet, Bob Anderson, Dave Kager, Norman West, Paul Riopel, Don McGrath, Garnet Wiley and Douglas Ramer, who in relays of threes had to dress in a complete ladies outfit, with their skates on and transfer down the line to the third in line of each group. Lion Garnet Wiley won the competition with his squad.

The grand finale was a colorful spectacle with a presentation made to Miss Maureen Osinchuck, skating instructor.

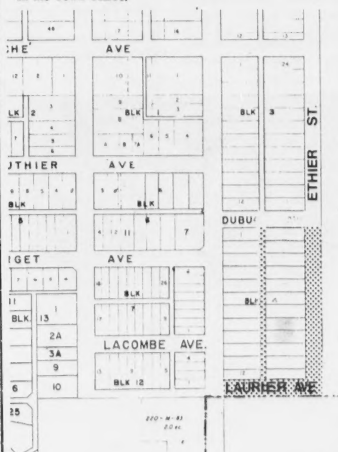

John Saunders was master of ceremonies.

### Kinsmen minor hockey

#### SHAVER "B"

Beavers will take a two goal lead into the second game of their two-game total goal series with the Badgers. Beavers defeated the Badgers 3 - 1 last Saturday in the arena on goals by Michael Stevens, Leo Parth and Neil McRae. Glen Smith scored the Badgers lone goal. The final game will be played this Saturday at 5:15 p.m. in the arena.

#### MITES

Doug Bendera scored four goals and Ray Enright three to lead the K of C team to a 9 - 1 win over the Flyers. Larry Sander and Gerry Klein added the other KC goals while M. Harris spoiled Kelly Ratchinsky's shut-out bid.

Flyers came back with a fine 3 - 2 win over the Warriors with Bernie Joyal getting two and R. Mowatt a single. C. Hiratsuka scored both Warrior goals.

Oilers and Jets played to a 2 - 2 tie. G. Houle and D. Wakefield scored for the Oilers with C. Stewart and K. Middleton for the Jets. Warriors also had a tie with the Oilers with the final score 4 - 4. Brian Harris scored all four Oilers goals while Kevin Ledgerwood, Lloyd Olson, Doug Belley and Gary Wallin scored for the Warriors.

## Paul Kane

By Holly Hill

Two representatives from Paul Kane travelled to W. P. Wagner School in Edmonton last Wednesday. The students, Don Isari, from grade 10 and Holly Hill from grade 11, went to Wagner to view their "Wons Lavin-rac," (that's snow carnival spelled backwards!) The superintendent of schools, Mr. E. Gish accompanied them.

Paul Kane and Wagner are now trying to establish a liaison between the schools' student unions. They will exchange students councils and visit each others schools.

#### FLOOR HOCKEY

In intermural floor hockey, at noon, Johnson house is at the top of the standings.

#### BASEBALL

Quite a few girls at PK are interested in forming a baseball team. They're even willing to practise in the snow, but they need a coach! Surely with such a devoted group someone is willing to coach them. If anyone would like to they can contact Darlyn Moser or Deb Johnner.

Page 8

#### PEE WEE

M. Neese scored both Barons goals to pace them to a close 2 - 1 win over the Red Wings. S. Ratchinsky scored for the Red Wings. M. O'Hara was in the nets as the Red Wings posted a 5 - 0 win over the Kings. T. Ledy led the way with a hat trick.

#### Bantam

Black Hawks scored a hard fought 3 - 1 win over the Co-op squad on goals by John Koch, Gary Bruins and Sandy Millroy. Jack Plasteras scored for Co-op.

Seals got two goal performances from L. Eschak, P. Lucas and R. Gouchy as they scored a 7 - 2 win over the Canadians. R. Duncan scored Seals other marker with Geoff Holden and Ron Gosse replying for Canadians.

Maple Leafs held the Black Hawks to a 2 - 2 tie on goals by Greg Thibert and Ray Telford. Terry Kleiser and Jack Werbecki scored for the Hawks.

## SAINTS OPEN PRACTICES

St. Albert Saints senior baseball club announced this week that indoor baseball practices will again be held in the Kinsmen Field House (south end of 105 Street bridge).

The first practice will get under way Wednesday, March 31 at 9 p.m. sharp and will be under the supervision of rookie head coach Ed Howorko. Howorko played centrefield last year under coach Bob Mulloy who has since moved back to the States.

The Saints were members of the Offfield Baseball League last year and were the winners of the eastern division. They then played a three-team playoff with Warburg Buffaloes and Breton Eagles, losing out to the Buffaloes who won it all.

## BRUINS DOWN ONE GAME

St. Albert Bruins will meet Leduc Sep's tonight at 8:30 p.m. In the arena in the second game of the best of three midget semi-finals. Last Sunday in Leduc the Bruins coaches Dave Neeser and Jeff Armstrong pulled their team off the ice at the 11:00 minute mark of the first period with a 2 - 1 lead on Doug Ferguson's lead. Apparently the referees were not registered and had no control of the game. League directors met following the game and awarded the game to Leduc. Admission will be charged.

The winner of this series will play Fort Saskatchewan who earlier eliminated St. Albert Wildcats two straight.

Today's farmer, using an automatic bale wagon can pick up, stack and haul as many as 3,100 hay bales in an eight hour day, according to engineers at New Holland, the farm equipment division of Sperry Rand.

General manager and sponsor Rudy Schellbhofer has applied for entry into the Sunburst Baseball League which operates mostly out of Edmonton with the exception of Leduc and Devon. If accepted the fans of St. Albert will be able to see senior baseball at least once each week rather than the lengthy delays between games last year.

Coach Howorko welcomes all interested players to be in attendance at least 15 minutes before the scheduled practice time so that the full hour can be used.

Happy trophy winners at the Comets hockey banquet are O'Neill Chevallier, (second from left) who was named Most Gentlemenly player and presented with the Trail Inn Auto Court trophy by his coach, Jim Read won the High Scorer trophy, donated by S & W Trail Service and presented by Walter Wasylkiewicz and also the Most Valuable Player trophy, presented to him by the donor, Henry Bourgeois. Richie Perrault was awarded the Best Defensive Player trophy, donated by Roger Ethier and presented by League President, Stan Peck. Coach Ron Yanosik (at left) holds the miniature replicas of Read's two trophies. The replicas are for the players to keep, while big trophies are up for annual competition.

## COMET'S PAY TRIBUTE TO STAR PERFORMERS

St. Albert Comets, fifth place finishers in their rookie season of the Edmonton Central Hockey League held their annual wind-up banquet on Friday night at the Purple Dude banquet rooms. A smorgasbord was served and the guests enjoyed an excellent selection of tastefully prepared foods arranged by Emil Pelletier.

About 150 persons attended the affair to pay tribute to the players and trophy winners. Once again the popular Sid Lipitak was on hand as the master of ceremonies and did a bang-up job. Centre Jim Read received two trophies taking the S & W Trail Service cup for the teams leading scorer and the Henry Bourgeois Trophy for the most valuable player. Read finished in sixth

place in the league scoring race with 34 goals and 20 assists for 54 points. Al Laplante finished in second place with 43 points. Last year's scoring champ was Capt. Fred Hesse who had 28 points this year.

The Roger Ethier Trophy for the best defensive player on the Comets went to popular Richie Perrault who was also their highest scoring defenseman with 36 points. Perrault was last year's double winner walking off with both the most valuable and highest scoring defenseman trophies.

The Trail Inn Auto Court Trophy for the player best combining gentlemanly conduct with a high standard of playing ability was presented to O'Neill Chevallier. Last year's winner was

Danny Roberge who did not play this season.

Mr. Stan Peck, president of the league was on hand to say a few words and was most pleased with St. Albert's performance in the league for the first year.

Coach Ron Yanosik handed out silver steins to all the players and executives of the team and expressed his feelings to the Comets and their organization for a job well done.

"Now that I've told you about my past, do you still want me to marry you?"

"Sure thing."

"Now I suppose you'll expect me to live it down?"

"No, dear, I'll expect you to live up to it."

St. Albert Comets got together for a team picture at their hockey wind-up banquet last Saturday in the LaCava Room of the Purple Dude. Back row, from left to right: Ron Kaleta, O'Neill Chevallier, Gerry Magnan, Steve Lynas, Fred Hesse (captain), Norm Buhl, Frank Joyal, Terry Dube, Al Laplante, Bernie Alain, Art Scott, Richie Perrault, Joe Cassidy, Jim Read, Rene Brodeur, and Jake Vaugels. Front row: Rene Pouliot, Ron Yanosik (coach), Garth Leask, Ray Lamer, Doug Knisely. Missing from the picture is Rick Pugliese.

MLA Keith Everitt (right) presenting Morinville Sports Association trophy to Legal Captain P. Vanbrabant. Legal defeated Bon Accord 5 - 4 in thrilling overtime final game.

## LEGAL WINS MORINVILLE TOURNAMENT

Henri Charrois scored an unassisted goal at the 55 second mark of the first sudden death overtime period to give Legal Citadels a hard fought 5 - 4 win over Bon Accord Wildcats. The Victory gave Legal the Morinville Sports Association Trophy as first place finishers in the eight team tournament last weekend as well as top money of \$125.00.

The final game was a barn burner that featured plenty of exciting end-to-end rushes as well as top goal-tending. George Cook gave Bon Accord a 1 - 0 lead at the 7.00 minute mark of the first period. Legal came

right back and scored two goals in 46 seconds to pull ahead 2 - 1. R. Brisson tied the score at 11.00 and Bob Pelletier put them ahead 2 - 1 with his goal at 11.46. Bon Accord tied the score just 36 seconds after the second period started with Dean Lewis scoring.

Legal took the lead once again when Claude Cyr blinked the light near the middle of the period. Bon Accord had some fine opportunities to tie the game but were out guessed by R. Letourneau. With just two minutes to go in the second Dale Lewis tied the game 3 - 3.

Both clubs appeared to be tiring when the third period got underway but Guy Charrois mustered up enough strength and gave Legal the lead once again at the 5.11 mark of the third. Legal appeared to be on there way to victory when Tom Carleton of Bon Accord flipped in a long shot from the blue line which somehow eluded the Legal goaltender and ended up in the net. This set the stage for the sudden death overtime period with Henri Charrois coming up big with the winner.

Legal had earlier wins over Edmonton Purple Cows (10 - 4) and Vimy (2 - 1).

Bon Accord went into the finals with an opening 4 - 2 win over the St. Albert Meteors and a 7 - 2 win over Morinville.

The Morinville arena was crowded for all games and a big hand goes to Paul Krauskopf and the Morinville Sports Association for a well run tournament.

Individual trophy winners were Dale Lewis of Bon Accord for the most valuable player and to R. Letourneau of Legal as the best goalie. Both trophies were presented by MLA Keith Everitt on behalf of the Morinville Sports Association.

## Badminton club plans tourney

The St. Albert Badminton Club "C" Interclub team advanced to the finals of the Edmonton District Interclub competition. They defeated the Derrick in the semi-finals last week with the scores of 8 - 2 and 7 - 3. They now meet Bonnie Doon within the next few weeks.

Final club tournament is now in progress, being played Tuesdays and Thursdays. The doubles ended last night and singles are slated to start March 25.

It is hoped the tournament will be over by Easter.

For further information call Judy Wood, 599-8696.

## READ WINS TWO TROPHIES

Top trophy winner this year for the Comets belongs to Jim Read who captured the scoring championship as well as the most valuable player award.

Read played his minor hockey in Edmonton with the Canadian Athletic Club. He graduated to the Lethbridge Native Sons for one year of junior hockey in the 1959-60 season. He only had one year in junior due to having to sit out the 1961-62 season with a broken leg.

The 1963-64 season saw Read playing with the Red Deer Rustlers of the Central Hockey League. A teammate that year was Ron Yanosik who was this year's Comet coach. The season turned out very well as the Rustlers captured the Canadian championship for intermediate A hockey.

Read's style of play attracted attention and he was given the job of a player-coach with the IPK first division team in Helsinki, Finland in 1967-68. That year not only saw Read play on the silver medal Finnish team in the St. William Cup play, (Russia finished first), but it also saw Jim having his fiancé (Donna) over from Edmonton and they were married in Helsinki. A European tour capped the wedding and hockey season.

Five players from the silver medal team that Read coached, played on the

Finland National team that defeated Canada's National team in Grenoble, France in 1968.

While in Finland, Read was a newspaper reporter and held an International Press Card while employed with the Helsinki Sonomat newspaper.

Jim returned to Canada after one year abroad and for the past three seasons has been playing for the St. Albert Comets. He is employed by Crossstown Motor City as used car manager and lives in St. Albert with his lovely wife and daughter, Johana Nicole.

Jim Read (right) receives the S and W Trail Service trophy from Walter Wasykiewicz as the top scorer on the St. Albert Comets during the past season. Read also captured the Henry Bourgeois trophy as the Comets most valuable player.

## Bon Accord News

Bon Accord junior high school girls walked away with the Sturgeon Division Basketball girls trophy at a tournament held March 13 at Horse Hill school. The competition is an annual affair.

Teams competing were Camilla, Gibbons, Horse Hill, Namao, Mission Park, George P. Vanier and Bon Accord.

The Bon Accord girls defeated Horse Hill 16 - 9, Namao 18 - 16, and Camilla 27 - 25 on the way to victory. Camilla were defending champs. The consolation flight was won by George P. Vanier which defeated Gibbons.

Members of the Bon Accord team are Debbie Uchacz, Karen and Sharon Draper, Barbara Mulligan, Debbie Krysko, Judy De Smet, Lydia Uchacz, Penny Carleton, Kim Pawluk, Beth Lewis, Jackie Morris, Jane Shurt, and Fay Strawn. The coach is Hugh Rigney.

The Bon Accord mites hockey team bowed to Morinville, two games to one, in final league play. Congratulations boys for a good try.

Congratulations go to Wendy and Leo Ferbey on the arrival of their second son, Barry Alan, March 14.

Lion Rudy Rippel of Fort Saskatchewan has been very active in the district in the last week signing up new members. Successful too. Should help the local club considerably.

The search is on for a new Brown Owl for the brownies. Mrs. Lampkin has served for both the guides and brownies but finds that the two clubs are a bit too time-consuming. Anyone interested in giving a helping hand could contact Marilyn Carleton or Linda Bland.

The Air Cadets have planned their annual Pie Shoot for Sunday, April 4 from 2 to 6 and from 7 to 9 p.m. With all the new Gun Club members practising every Thursday evening, competition should be keen.

The afternoon branch of the Anglican Church Women have donated a hand quilted wool-lined patchwork quilt to the cubs, scouts, guides, and brownies. Tickets will be sold and the draw made sometime during the rummage sale.

The Bon Accord Community Centre Board are sponsoring a baseball coaches clinic on April 19 and May 4, to start at 6:30 p.m. Registration fee is \$2. Those interested please contact Don Bland at 298-2185.

A baseball meeting has been held and there are good prospects for leagues for practically all ages.

The scouts, supervised by Mr. Hegadoren and Mr. Skinner enjoyed an overnight camp-out on March 19.

On Sunday, March 14, 17 district ladies of the FWUA toured the Edmonton Museum and Centennial Library and finished up a very enjoyable day with a dinner at the Chateau Lacombe.

The date for the Bon Accord Cub Cubaree has been confirmed for May 7, 8, 9. Cubs should mark their calendar and make sure that no other plans are made for that weekend.

## Devolder-Schayes Vows

A pretty afternoon wedding was held in St. John the Baptist RC church last Saturday when Miss Irene Schayes, daughter of Mr. and Mrs. Ed Schayes and Denis Devolder, only son of Mr. and Mrs. Firmin Devolder, all of Morinville exchanged vows, in a double ring ceremony with Rev. Father Georges Primeau, officiating.

Given in marriage by her father the bride chose an A-line gown of white peau d'ange trimmed with heavy guipure lace, featuring a mandarin collar, long cuffed sleeves and a high waist trimmed with lace. The skirt flared in the back to fall into a short train.

A shoulder length net veil was double edged in matching lace held by a lace crown trimmed with seed pearls. The bridal bouquet was a cascade of red roses with long satin streamers

trimmed with red rosebuds.

The two bridesmaids, sister of the bride, Miss Lorraine Schayes and Miss Patricia Podgurney chose identical soft blue gowns of nylon over taffeta, featuring scoop necklines, long cuffed sleeves and white guipure lace trim at the waist, cuffs and around the hemlines. Their accessories were white and each carried a blue and white colonial bouquet of carnations.

Best man was David Maslyk. Also attending the groom was Joseph Girard. Mrs. Carol Kaup was organist and soloist was Mr. Armand Turgeon.

Following the church ceremony some 150 guests were received at the centre, where a reception and banquet were held, followed by a wedding dance for some 400 guests.

Master of ceremonies was

Maurice Schayes, who also proposed the toast to the bride.

For her daughter's wedding Mrs. Schayes chose a blue lace and crepe dress with white accessories, and pink corsage.

Mrs. Devolder was in a pink fortrel dress with silver accessories and a blue corsage.

For her honeymoon to Hawaii, the bride chose a baby blue pant suit with white accessories.

Mr. and Mrs. Denis Devolder will make their home in Morinville where Mr. Devolder is a farmer and businessman.

# Letters to the Editor

The Editor:  
Summer is rapidly approaching and the parents and other adults of the town could be faced with a situation which I for one am not looking forward to.

With the nationwide employment problem our teenagers are not going to be able to find any kind of gainful employment this summer. Coupled with this is the shortage of recreational facilities which are of interest to these individuals.

This can only add up to one thing - boredom. This can in turn lead to a myriad of other problems: drugs, vandalism and others which

come out of just too much time on hand and too little to do.

Let's do something about it now. Let us provide these individuals with something to do and not just a make do recreational program of basket weaving and allied arts. Let's provide them with a chance to make money by working.

I know that this attitude may seem strange in a day when parents are expected to provide everything but work for the young people but I do think that this would

do everybody some good.

There are many jobs that teen-agers could be doing for the homeowners of St. Albert during the summer. Grass cutting, garden care, fence building and painting.

I am sure that many house holders can afford to, and would appreciate hiring a teen-ager to do these jobs. But let's do it on a businesslike basis. All interested homeowners pay \$20 per month to hire a teen-ager for four days per month. A clearing house should be set up to receive the names (and money) of those interested in this teen-service, and receive the names of those

teen-agers who are interested in working and advise them when and where to go.

One of the ladies groups from the churches or service clubs would be an ideal organization to provide this service. Five dollars per day is not a great deal in today's society but it is a lot more than zero.

Let's try as homeowners and parents of St. Albert to get behind this and make this investment of time and money in our youth.

First we need an organizer or organization - any offers??

J. A. Wiltshire.

## Farmers insulted

The Editor:

On leafing through the entitled "Transition and Tradition" prepared for the Alberta Government by Farm and Ranch Consultants Ltd., of Calgary, I couldn't help becoming indignant at the blatant attempt made in the report to insult the intelligence of farmers.

The scheme to "cushion" the shock that is anticipated as a result of adopting a policy to "upgrade" farming into "managerial top commercial farm units with 'multi-dimensional', 'cosmopolitan' characteristics" through a "change in terminology" that would "reduce the emotionalism" is an affront to our mentality.

As a matter of interest, I checked the meaning of the word "cosmopolitan" and my dictionary tells me it means "widely spread; belonging to all parts of the world." (Multi-national?)

Just how, may I ask, is changing the wording going to make rural depopulation less painful?

The report suggests that words like farm, farmer, or family farm should be replaced by the term "farm unit."

Our forefathers, who endured untold sacrifices to clear the land, grub the rocks, haul the rocks, build fences, schools, roads, powerlines, etc., would "turn in their graves" to see their succeeding generation "written off."

The time has come when farmers can no longer afford to have the "wool pulled over their eyes" by experts that use words to manipulate people into apathy!

## Legal, Vimy Christophers graduate

Do you want 10 of the most memorable weeks of your life? Then join the Christopher Leadership Course and you'll have memories you'll never forget.

Ten weeks ago 20 Legal and four Vimy people registered for the Christopher Leadership Course which was conducted by four key instructors, Henry Kleser, George St. Arnaud, Laurette Kleser, recording secretary, and Father A. Desjardins, spiritual director.

The 24 enthusiastic participants were Bill Barry, Roland Bissonnette, Doreen Cornelis, Maurice and Simone Chauvet, Ricky de Champlain, Allan and Terry Keane, Gerry Krauskopf, Lloyd Kachurowski, Louis Lecavalier, Richard and Irene Maurier, Lucy Montpetit, Maurice Montpetit, Delores Prefontaine, Sarah Serio, Rachel St. Martin, Ben Van de Wallo, Walter Zientarski all from Legal, Mary Bernard, Helen Joly, Irene Regimbald and Jean St. Arnaud from Vimy.

Beginning with the fourth

lesson, the group chose the one participant they felt showed the most improvement and continued to do so through to lesson nine. They were Bill Barry, Lloyd Kachurowski, Maurice Montpetit, Doreen Cornelis, Sarah Serio and Delores Prefontaine. Each was awarded a ball point pen engraved with these words "Christopher Leadership Course Achievement Award."

A banquet and dance was organized by the Christopher executive. The 24 Christophers graduated with their various speeches before an audience of 232.

After all speeches were heard the highest achievement award, a Christopher pin with the engraving "Light One Candle" was awarded to Helen Joly and to Father Roland Bissonnette.

The Christophers wish to express their thanks to all who made this graduation a success.

Members of the club travelled into Edmonton March 6 for an evening of curling and bowling. Will Mitchell and Alan Briggs bowled at the Coral Bowl, where Will's team came away with the booby-prize. Doug Crozier and Chris and Marianne Mickelson took to the ice at the Sportex. Doug won first prize, Chris placed sixth and Marianne took seventh.

A regular meeting was held March 10. The upcoming rodeo was one of the topics under discussion and members this year will be able to attend the event at reduced rates.

A public speaking contest was held at the March 10 meeting. Judges were Audrey Gibson and Marilyn Robertson of the Clothing Club.

Alan Briggs spoke on "the platypus," Will Mitchell chose "safety around home" as his topic and Marianne Mickelson spoke on "my biggest trip." Michael Quwek discussed "CACL" the "FLQ" was the topic of Chris Mickelson and Henry van de Vliet spoke on "shoplifting." Karen Crozier discussed "sports," Brad Quwek spoke on "the

cars of long ago" and David Quwek chose as his topic "4-H".

Next the speakers were judged on their impromptu speeches: Chris - a pig; Henry - taking a bath in 1900; Karen - how to bake a cake; Brad - going fishing; David - the subject I hate; Alan - politics; Will -

THE HONOURABLE JOHN MUNRO, MINISTER

# Reports from the Legislature

by Keith Everitt (SC)

This week I would like to report on the effects of Bill No. 39, The Age of Majority Act. This Bill which was introduced in the Legislature and gave first reading this week will reduce the age of majority from 21 to 18 years.

There are those that are of the opinion that all this legislation does is give the 18 year olds the right to enter a hotel or liquor store and make purchases of the refreshments. May I take this opportunity to list the

52 pieces of legislation that will be amended because of this Bill. It must be noted that all ages will now be changed to 18.

1. The Election Act - must be 19 to be an elector and vote at provincial elections must be 19 to be a candidate for M.L.A. forms of oaths and affidavits that person is 19 and otherwise qualified to vote.

2. The Alberta Lord's Day Act - age 19 to vote under act in important districts.

3. Municipal Election Act Age 19 to vote in summer village elections; Age 19 to vote in municipal elections; enumeration of persons of full age of 19; list of electors to show other qualified persons of full age of 19; Swearing in of person age 19 who is not on electors list.

4. School Act - 19 years or older to be an elector. 5. School Election Act - 19 years or older to be an elector.

6. The Liquor Control Act Identification cards for persons over 21; age eligibility to purchase liquor or enter licensed premises or liquor store is 21; Selling or supplying liquor to person under 21; delivering of liquor to person under 21.

7. The Liquor Licensing Act - must be 21 to qualify for a dining lounge or lounge license - person under 21 may enter a licensed dining lounge - proof of age if appears under 21 - elector means a person over 21.

8. The Municipal Election Act - must be 21 to be eligible for council - representative of church or corporation must be 21 to vote. 9. The School Election Act - must be 21 years to a school trustee.

10. The Administration of Estate Act - notice to dependents under 21 when infant sole executor another person shall be executor

until infant is 21.

11. Agriologist Act - must be 21 to be eligible for membership.

12. The Architects Act - must be 21 to be eligible for membership.

13. Chartered Accountants Act - must be 21 to be admitted as a member.

14. Child Welfare Act - surrender of custody of child by parent under 21 - permanent ward of the Crown remains so until 21; Child for purpose of adoption is a boy or girl under 21; must be 21 to be eligible to adopt.

15. Chiropractic Profession Act - must be 21 to be eligible for registration.

16. The Coal Miner Regulation Act - must be 21 for a blaster's certificate; must be 21 for a first class certificate as a mine electrician.

17. The Co-operative Association Act - age restriction of 21 to become a director, manager or treasurer.

18. The Credit Union Act - applicants to incorporate credit union must be 21. 19. The Dental Association Act - must be 21 to be eligible as a member.

20. Dental Mechanic Act - must be 21 to be eligible for registration.

The following Acts are also amended without clause listed.

21. The Dover Act; 22. The Drainage District Act; 23. The Family Relief Act; 24. The Farm Purchase Credit Act; 25. The Fire Prevention Act; 26. The Forest Act; 27. The Alberta Hospital Act; 28. The Human Tissue Act; 29. The Infants

Act; 30. The Alberta Insurance Act; 31. The Jury Act; 32. The Land Surveyors Act; 33. The Land Titles Act; 34. The Legal Profession Act; 35. The Maintenance and Recovery Act; 36. The Marriage Act; 37. The Mines and Minerals Act; 38. The Municipal Government Act; 39. The Municipal Taxation Act; 40. The Names of Homes Act; 41. The Naturopathy Act; 42. The Optometry Act; 43. The Pharmaceutical Association Act; 44. The Podiatry Act; 45.

The School Act; 46. The Societies Act; 47. The Students Loan Guaranteed Act; 48. The Trust Companies Act; 49. The Trustees Act; 50. The Veterinary Surgeons Act; 51. The Wildlife Act; 52. The Workmen's Compensation Act.

The young people of this province will surely realize the many extra privileges that will now be granted them. I am convinced that they will show the degree of responsibility that warrants this change.

## RECREATION Hi-Lites

Registration for the baseball program sponsored by the St. Albert Lions Club and the Knights of Columbus will take place in the Clubhouse on Saturday, March 27 and Saturday, April 3 from 1 - 3 p.m. on both days.

The fees for boys 8 - 12 years will be \$3 and for those over 12 - \$4.

Forms are being distributed through the courtesy of the schools and can also be picked up at the time of registration. The forms, along with fees, should be submitted at either of the times mentioned above.

HERCULES SOCCER: Registration for soccer for boys 8 - 16 years, will take place on Thursday, April 1 in Leo Nickerson School and the Clubhouse, from 7 - 8:30 p.m. at both locations.

Because of the anticipated increase in soccer registration, more coaches and managers will be needed.

Volunteers from past seasons are urged to offer their services again and newcomers to St. Albert who are interested in soccer (you don't have to be an expert) will be made very welcome by the "soccer crowd."

Phone the department of recreation at 599-6601 for information or to volunteer your services - or both.

HERCULES SOFTBALL: The time and place for registration for girls' softball will be announced next week. This was a very popular sport last year. Once again, more coaches will be required.

HERCULES BASKETBALL: The Hercules basketball team is now practicing for the tournament which will be held on April 24. Details will be announced later.

YMCA: Swedish gym is over for this year. The last class was held on Thursday, March 18.

## Gibbons to seek re-assessment

Gibbons village council, meeting in regular session March 11, discussed at length the land assessment in the village. The rate of assessment has not changed in several years, and is now only about one quarter of the amount that it should be. Council felt that if the land was assessed properly it would stop land speculation. A motion was carried that the secretary write to the assessment branch asking for a land assessment this year for use in 1972.

Mr. L. Moore addressed the council in regard to a house which is situated on Community Centre grounds. Mr. Moore has agreed to either move the building or sell the house and property by the first of May.

A letter from the community centre requesting a grant was referred to the next council meeting, to allow councillors time to study the request. Mr. D. McNeill from Industrial Water Treatment attended the meeting and discussed the filter and treatment.

Council instructed legal counsel to advise, by registered mail, those ratepayers who are in arrears that if no effort is made to pay in full their delinquent tax accounts, the properties involved will be put to tax recovery.

Reg Austin of Coronado, who was elected chairman, conducted a well run meeting with all members of the MD council present.

Alphonse Nibert, secretary, gave the financial report. Reeve Kluthe and Don England, DA, also presented

their reports to the meeting.

During the question period inquiries were made regarding hard surfacing and oiling of roads in the MD. Recreation was also a topic of interest. Mr. Larry Paul is the new interim chairman, his appointment follows the resignation of Hugh Rigney. Jack Harold is a new member of the rural recreation board.

Mrs. Joyce Whitson, of the recreation board spoke briefly on the recent recreation board meetings which were held in the MD building in Morinville.

The proposed regional recreation board which would include towns, villages and hamlets within the MD of Sturgeon would enable far more and better grants for the benefits of all citizens with in the boundaries of the MD, it was felt.

A committee are at present, busy setting up a set of rules and bylaws to be presented to each individual council or board for approval or discussion.

Mr. Keith Everitt, MLA was present, and commended the MD council, for the resolutions, presented at the last municipal convention.

## Gibbons 4H Garden Club

By Edith Paradis

The Gibbons 4-H Garden Club held a meeting March 8, at the home of Mr. Jim McCowan.

Topics under discussion included the ski-doo party held Feb. 20, and the curling and bowling banquet of March 6. Debby Demers brought home the prize "skunk," which she and her curling partners won for placing last.

The members held a public speaking workshop March 13, with junior leader Linda Lamoureux in charge. Both prepared and impromptu speeches were given, in preparation for the club's public speaking which will be held in the Gibbons school gym, March 26 at 8 p.m.

Everyone is welcome to attend this event.

The average man has 66 pounds of muscle and 3.2 pounds of brain, which explains a lot of things.

## Legal C. W. L. news

The St. Emile CWL monthly meeting was held March 15 at the recreation centre. Spiritual readings were by Florence Quaghebeur who also gave the summary of the bake sale in the absence of Anita Maurier.

The CWL members wish to thank all who supported this function.

The spiritual, social, and welfare conveners reported on the Diocesan report forms they submitted.

The next CWL meeting will be held April 6 in which the election of new officers will take place. Mrs. Allan Keane was appointed chairman of the electors committee along with Mrs. R. Hunting and Mrs. L. Kachurowsky.

March 29 is the deadline for the Diocesan report forms they submitted.

## Legal Locals

The local figure skaters were tested on March 7 by a judge from the AFSA. The girls did very well. Last Saturday they had their last lesson for the season.

The figure skating committee want to express their gratitude to all the mothers who co-operated, to the recreation board and also to

the local merchants for their support and encouragement.

## Interest keen in Mothers day out

Sponsors of the "Mothers Day Out" program, proposed for St. Albert weekly on Thursday, are very pleased with the response to date from women wishing to use the service and from volunteers willing to serve in various capacities required.

An application has been forwarded to the West End Regional office of the provincial government department of social development for authority to operate the service as a Day Care centre. Government regulations require such approval for any individual or group looking after more than three children not their own.

Preparations have been made to get the program underway as soon as the application is approved. Mrs.

Hilda White, a teacher, and Mrs. Margaret Dufin, a registered nurse, have volunteered to act as co-ordinators. The St. Albert Help Society are sponsoring the program and the United Church hall and nursery have been made available.

Sixteen women have already volunteered to work and Mrs. Inga Droege will look after the lunch each week. Pat Prymak, district home economist has also offered to help, and will be speaking to the Help Society at their April meeting. With the aid of volunteers, and hopefully some donated equipment, the sponsors hope the Mothers Day Out project will be self-supporting. It is planned for all denominations and all income levels and a very minimal charge of 50 cents per

day, per child has been set. Mothers who wish to pay somewhat more will be able to do so.

A learning program, including crafts, story-telling, singing and music and similar activities is planned for the three - five age group, and infants in diapers will be cared for separately in a nursery. The co-ordinators will need more volunteers to assist with looking after the children, and would like to have more mothers without pre-school children volunteer.

Letters have gone out to local women's organizations and members of the Help Society have visited many of these to speak on the program. Information is available from Mrs. Fyfe, 599-3966, Mrs. Lovett, 599-5078 or Mrs. Kuzz at 599-8952.

The President's trophy, donated by Gateway Building Suppliers for men's league competitions was presented by Casey Anderson (right) to the Larry Gullion rink who are the 1971 winners. From left to right: Lawrence Suttich (lead); Doug Andrews, (second); Pee Wee Quintal (subbing for Harold Lewis) and skip Larry Gullion. Gullion squeaked out an 11 end 8-7 win over the Larry Duplka rink last Friday.

was much in evidence, no matter whether the guests were from the Land of Erin or not, and those who came attired unprepared paid dearly and were fined for their thoughtless lapse of memory for the custom of the day. It appears the Irish confiscated all the prizes and awards, when Peggy (nee Finn) Hanneman took the novelty elimination dance in real old-country style, and Mr. and Mrs. Bridge from Steele Heights, Edmonton, took the spot prize. They were spotted underneath their favorite shamrock which had a few four-leaved clovers.

Standing approval was given by one and all when the special prize of a bottle of Irish perfume was claimed by 80 year old Lorne Aiken, (will somebody, please, return his favorite rubber footwear, possessed, no doubt in error). June and Ivy Kendall really did themselves proud by cooking up the best ever Irish stew, and the crowd literally cleaned the pot and licked the platter too.

June is the auxiliary president and she took charge of the kitchen that Irish night.

A few St. Albert citizens were spotted flashing new 1971 "Montgomery" cards. Didn't Montgomery branch celebrate this famous Irishman's day? After last night's "do" Legionnaires should be certain to expect a re-

habilitation process to emerge.

Future entertainment plans by the social convener and his hard working committee includes the "Mad Hatters Party" scheduled for Saturday, April 10.

The Yesterday and Tomorrow western band will be featured on March 27 and the Moonlighters will again appear on the 30.

The next Pig and Whistle will be on Friday, April 30.

In between these dates the monthly meeting of members to discuss business will be squeezed in on Monday, April 5 when the expansion project will be discussed. All legionnaires keep this date in mind.

## Legion Corner

By Wally Swenarchuk

The first Legion attempt to raise funds, "Fun at the Bingo," March 19, almost ended in disaster, with the Legion barely breaking even. Unfortunately, several other important events drew part of the bingo fans away that day and future Legion events will be planned so as not to clash with other happenings in the town. In any case another effort will be made, as the Legion announced to hold a second bingo at the Community Hall on Friday, May 14. If at first you don't succeed be like Robert Bruce.

St. Patrick's was well attended on Saturday, and whoever did not come to the bingo turned up 24 hours later for St. Pats at the Legion Hall. Again, people had to be turned back at the door for lack of tables and space at which to accommodate them. Which again prompts the executive to press forward more vigorously to find ways and means for a larger Legion Hall.

## Germination Tests advised for Rapeseed

Alberta rapeseed growers are strongly advised to have their seed tested for germination before planting this spring. If the germination level is lower than 75 per cent, and if 25 per cent of these seedlings are deformed, the seed should not be used.

This advice comes from Dr. H. Vaartnou, plant pathologist with the provincial department of agriculture. He says a germination test is particularly important this year because rapeseed rootrot diseases were very prevalent last summer in areas which received a good rainfall.

During the summer the plant industry division conducted a survey in northern and central Alberta to determine the extent and kinds of diseases in rapeseed crops in the province. Dr. Vaartnou says that rootrot diseases were serious in all areas which received an adequate rainfall. He also reports that work is continuing in an attempt to identify the disease-causing organisms and the conditions under which they thrive and spread. Until more is known about these factors, rapeseed growers would be wise to practise a three-year crop rotation. Some of the disease-causing organisms are known to persist in crop residues for up to three years. It is also important to remove all volunteer rape and wild mustard during the years the land is in other crops. Both species provide a medium in which the disease organisms can survive.

Dr. Vaartnou points out that the seed from rape crops which had a rootrot disease can carry this disease on its surface or inside the seed, and spread it to healthy plants in the new crop. The disease reduces the yield and quality of the crop by lowering the germination rate or producing deformed seedlings.

If a farmer finds that his rapeseed is not good enough to use this spring, he should try to get seed from an area which had a low rainfall last summer, or from a farmer whose crop yielded 25 bushels per acre or better.

Dr. Vaartnou also recommends treating rapeseed against rootrot and other diseases. This precaution is particularly important in

areas which had a good rainfall last year. The use of seed treatment compounds containing thiram or captan at a rate of four to five ounces active ingredient per 100 pounds of seed is recommended. This treatment will kill surface-borne disease organisms and protect the young seedlings against soil-borne diseases, Dr. Vaartnou says.

## Sewing hints on Togs for Tots

By Pat Prymak, District Home Economist.

Was your last shopping trip for buying clothes for your young tot an enjoyable excursion? Or was it a trip where the fabric, style or color weren't what you wanted? If this is the case, and you are handy with the sewing machine, I would like to pass on some hints for sewing togs for your tot.

**PICK A PATTERN**  
\*Pattern companies are introducing patterns designed to help the toddler dress himself and learn to recognize signs, shapes and colors.

\*The patterns are time saving and easy to sew and feature no collars, sleeves or darts. Waistbands are all elasticized.

\*Pattern features that aid growth and comfort include: "raglan" or kimono sleeves, rather than set-in sleeves, "no waistline seam," "jumpers with adjustable shoulder straps."

**PICK A FABRIC**  
Suitable fabric includes: small-scale prints, rough'n tough denims (woven or stretch knit types)...ginghams...seersucker...terry cloth (plain or stretchy knit types)...cotton knit...corduroy...party-time dotted Swiss...or flannel with a butterfly motif.

Read the label on fabric bolt for information on: (1) fiber content (2) care instructions (3) special finishes or features (4) manufacturer's name and origin (5) brand name.

Trim should be suited to the fabric, the style and the age of the child. A nylon lace on a washable cotton dress isn't practical because a hot iron used for the dress will melt the nylon.

Pre-shrinking all fabric, zipper, interfacing and trim before sewing is recommended.

**PICK A FINISH**

Permanent press fabrics are easy to sew if you keep

**Honey - A Natural Food**  
Honey is not only a sweetening agent, but a nutritious and valuable food for people of all ages and occupations.

**COOKING WITH HONEY**  
1. Honey may be used in place of other sweeteners. Replace equal amounts up to one cup.

2. Decrease liquid 1/4 cup for each cup of honey used to adjust for natural moisture found in honey.

3. Reduce baking temperature 25 degrees to prevent over-browning.

4. Add honey to shortening slowly, in a fine stream, blending well for better volume and texture.

5. To measure honey with ease, wet or oil the cup or spoon first.

6. Foods baked with honey stay fresh longer.

**HINTS WITH HONEY**

To lightly creamed honey just place container over warm water.

Drizzle liquid honey over cereal or hot buttery waffles.

Mix honey with butter and cinnamon and use as a spread on hot toast.

Add flavor to baked beans and honey.

Sweeten a milkshake with honey.

Try a honey glaze for baked ham, roast chicken or vegetables.

Top ice cream with honey

**WAYS WITH HONEY**

**BAKED BEANS, SPANISH STYLE**  
(Meal in a Dish)

1/2 c. coarsely chopped onion.

1 medium green pepper, diced

1 clove garlic, finely chopped

2 tbsp. butter

2 cans (1 lb. 12 oz.) baked beans, undrained.

1/2 c. hot or seasoned catsup

1/4 c. honey

1 c. grated sharp cheese

1/2 c. dry bread crumbs

Salt, pepper, paprika

Saute onions, green pepper and garlic in butter until tender. Remove from heat; add to beans, catsup and honey. Pour into two quart casserole. Combine cheese, bread crumbs, and seasonings; spoon over bean mixture. Bake uncovered at 350 (moderate) until mixture is hot and top is browned (about 45 minutes). Makes eight servings. Freezes well.

**Oat breeding**

Experiments involving 820 lines of oats indicate that new varieties can be developed by the new "random" method of breeding.

"This method works where there are no serious disease problems," says Dr. M. L. Kaufmann of the Canada Agriculture Research Station at Lacombe.

"That's the situation here in central Alberta and we have been enjoying relatively good success using the 'random' breeding method to develop new varieties.

Random, a newly licensed oat, was the first of such varieties.

"Our research indicates that we can put our main

emphasis on productivity without detracting from the effectiveness of our selection.

"We have also found that there is a correlation between yield and panicle weight. In other words if we choose plants with a high panicle weight, we will be selecting high-yielding lines."

The random method is used in place of the pedigree method.

In practice, plant breeders could use a combination of both methods, with the emphasis leaning towards either "random" breeding or "pedigree" breeding.

### SAUCY CARROTS

6 large carrots  
1/4 c. butter  
Salt, pepper  
1/4 c. prepared mustard  
1/2 c. honey  
2 tsp. freeze-dried chives or parsley

Wash, pare and cut carrots diagonally into one inch slices, (about three cups). Cook in boiling water until crisp-tender; drain. In a small saucepan combine butter, seasonings, mustard, honey and chives. Cook stirring until well blended (about three minutes). Mix sauce gently with carrots. Heat for several minutes and serve. Makes six servings.

### MODERN PECAN PIE

1 c. honey  
1 pkg. vanilla instant pudding (3 3/4 oz.)  
3/4 c. undiluted evaporated milk  
1/4 tsp. salt  
2 eggs, slightly beaten  
1 c. coarsely broken pecans  
1 (9-inch) pastry shell-unbaked

Blend honey with instant vanilla pudding. Gradually add evaporated milk, salt and eggs, stirring until well blended. Fold in pecans and pour into unbaked pie shell. Bake at 375 (moderate) until pie is set, or until knife comes out clean, about 55 minutes. (Makes eight servings.)

If you wish additional recipes for using honey send for our free publications: "Ways with Honey" and "Honey."

To receive the recipe book "Honey It's Good Every Way Every Day" send 50¢ to: Honey Council, 11650 - 111 Ave., Edmonton, Alta.

"Add a little honey, add a lot of flavor."

## Machinery Show

One of the most comprehensive displays of foreign made farm equipment yet seen in Western Canada will add an international flavor to the 1971 Canadian Western Farm and Ranch Show in Edmonton, March 29 to April 3.

Equipment on display will include a Russian MRZ 50, 70-hp two-wheel drive tractor and a T40A tractor with Inland Loader, distributed by Twin Lakes Tractor of Oakville. This company may also be showing a new 100-hp four-wheel drive Hungarian tractor if it arrives in time for the show.

Germany's Krone will be represented with a new hay pickup wagon, section of new hydraulic plough, a new hay cutting swather-conditioner with rotary cutting action, and a land reclamation rotary tiller for use with 150 hp tractor.

Westport Imports will be showing its new line of Romanian tractors which drew interested queries at the recent Ontario farm show.

D & S Farm Equipment will be showing equipment from its British line of quality farm equipment.

Designed to be Western Canada's biggest three-dimensional spring catalogue of farm equipment, machinery and services, the show has attracted over 100,000 people in the past five years, who bought more than 1.5 million dollars worth of goods.

## Dairy Herd Improvement

The greater average butterfat competition has been won by W. G. Bocoock and Sons of R R 2 St. Albert for the second year in a row. Sons John and Bill have contributed greatly to the upgrading of the herd in recent years.

The Bocoock herd started on test in 1955 with 51 cows averaging 10,900 pounds of milk and 373 pounds of butterfat per cow year.

By 1965 the herd had grown to 69 cows averaging 13,000 pounds of milk and over 500 pounds of butterfat per cow year.

Their 1970 average, which exceeds average butterfat production on nearly 500 other herds participating on the Alberta DHF program, is 14,164 pounds of milk and 580 pounds of butterfat per cow year on 86 cows.

WEDNESDAY, March 24, 1971

Geared up and ready to go at Sunday's Skate-a-thon are Lieutenant Governor Grant MacEwan, the feathered wonder Chicken Man and St. Albert Mayor Ray Gibbon. All completed 100 laps. Kinsmen President Bruce Daley, the gentleman on the left supporting a crutch, did not skate, but was kept "hopping" ensuring the event went smoothly.

## Skate-a-thon Fantastic Report Kinsmen

St. Albert Kinsmen are smiling these days; their annual skate-a-thon again was a whopping success with some 560 skaters on the ice at the arena last Sunday, 60 more than turned

out last year to skate on the Sturgeon River.

Young and young-at-heart skated to help the Kinsmen with their financial commitment to the new arena.

Dr. J. W. Grant MacEwan

Mayor Gibbon and Chicken Man all completed their 100 laps.

It's all over now but for the collecting of the pledges and as an incentive to help speed things up, the Kinsmen are offering several attractive awards.

Pledges should be deposited at the Bank of Nova Scotia in Grandin Shoppers Park by April 5, please.

A pair of Junior Tach skates will be awarded to the boy turning in the most money, while the top money making girl will be given her choice of a pair of skates of comparable value. The runners up (one boy and one girl) will be presented with a sweater as will the person who had the most sponsors. All participants with 20 or more sponsors will receive an engraved medallion on a chain, and every skater will receive a crest when pledge cards are turned in.

All prizes will be presented at the arena, April 19, at 7 p.m. sharp.

The youngsters were most enthusiastic in their response and at times as many as 180 were on the ice simultaneously, causing traffic jams.

One of the youngest skaters was three year old Kimberly Patterson, who, with a little help from her friends, completed three laps. She had 20 sponsors rooting for her.

The Lieutenant-Governor was taken on a tour of the arena by Kinsmen officials, giving him a first hand look at the facility his skating helped support.

## Flash

Robert Russell, St. Albert Liberal candidate was first to announce his registration for the Lions Bike-a-thon on April 24. Ernie Jamison Conservative candidate quickly picked up the challenge and has already obtained a racing model bike for the event.

Social Creditors have yet to be heard from.

Susan Pavelich, Linda Pavelich, Donna Wilson, Debbie Rutledge, Terry Webber and Heather Tomlinson took time out from their busy schedule of practicing for the St. Albert figure skating club's upcoming ice carnival, to take their Golden Test last Saturday at the Arena.

## Young skaters take tests

Saturday was a busy day at the St. Albert and District Arena when some 78 young figure skaters took to the ice to be tested. Ranging from beginners to gold-on blade, the youngsters progress clearly indicated the very fine instruction they

have been enjoying this year at the hands of Carol Harbison and Lois Anderson.

Six girls passed their Gold Blade test, the highest offered by AFSA. St. Albert Figure Skating Club hopes to affiliate with CFSNA next season in order that these

skaters may continue instruction in St. Albert.

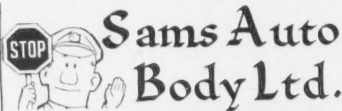

The boys were very much included in Saturday's program as 29 took the power-skating test.
